

**MSGA offers second printing of “The Weak Ones Turned Back, The Cowards Never Started: A Century of Ranching in Montana”**

To celebrate the 125<sup>th</sup> Anniversary of the Montana Stockgrowers Association (MSGA) in 2009, MSGA compiled a book featuring 142 Montana ranches 100 years or older. At the time of the first printing, the ranches included in the book were all working livestock operations that have been in the same family and in the same location as when they were established over a century ago. Several of the ranches were honored at MSGA’s 125<sup>th</sup> Anniversary Celebration in Miles City, June 10-14, 2009. The stories and photographs of these ranches comprise 472 pages in this commemorative hard-bound book, edited by Linda Grosskopf and Nancy Morrison.

Copies from the second printing are currently in stock and available for sale at the MSGA office. To purchase “The Weak Ones Turned Back, The Cowards Never Started: A Century of Ranching in Montana” please fill out the order form below. *Price is \$50, including shipping and handling.*
