

OWN A PIECE OF MONTANA HISTORY

The Montana Stockgrowers Association (MSGGA) released the book *“The Weak Ones Turned Back, The Cowards Never Started: A Century of Ranching in Montana”* in 2009 to celebrate MSGGA’s 125th Anniversary. The book features 142 Montana ranches that are 100 years or older. The family ranches featured in this book are all working livestock ranches that have been in the same family and on the same location as when they were established. The book is 472 pages of rich Montana family ranching history. The hard-bound book was edited by Linda Grosskopf and Nancy Morrison and features drawings by Montana ranching artist, Aubry Smith.
